Harassment, discrimination and retaliation are prohibited. The Anti-Discrimination Act (zákon č. 365/2004 Z. z.) and the Labour Code apply to every workplace interaction, including chat and off-site events.

Raise a concern with HR, with your manager, or through the internal reporting channel. Reports of unlawful activity are protected under the Whistleblower Protection Act (zákon č. 54/2019 Z. z.); the responsible person acknowledges a report within seven days and reaches a conclusion within 90 days. Managers must not run private investigations of their own.

Gifts and conflicts of interest are covered by the gifts and hospitality policy. Trading on unreleased information is covered by the insider dealing policy — nothing in this code authorises it.
