Vec: expense receipts

Expense policy — receipts (FIN-EXP-25)

Issuer: Moser Slovakia s. r. o. · IČO 47 556 210 · Twin City C, Mlynské nivy 12, 821 09 Bratislava

Effective: 4 February 2026

Owner: Corporate Finance, Moser Slovakia s. r. o.

Itemised receipts are required for any expense over EUR 25. A card statement is not a substitute, because Slovak accounting rules (zákon č. 431/2002 Z. z. o účtovníctve) need a proper accounting document. Alcohol is not reimbursable unless the Sales Director pre-approves a customer dinner.

Submission

- File in the finance portal within 30 days of the transaction date.
- Private-car mileage uses the basic rate published by the Ministry of Labour under the Travel Compensation Act (zákon č. 283/2002 Z. z.).
- A split bill must show the employee portion separately.
- Accounting documents are archived for 10 years.

The receipt threshold is EUR 25 for corporate staff. Finance auditors reject any expense over EUR 25 submitted without a receipt, so do not advise colleagues to skip one.
