Branded items under EUR 25 are generally allowed. Any gift over EUR 50 must be entered in the Compliance register within five working days. Cash gifts are prohibited. A cash gift from a supplier or vendor is not allowed, not even as a "Christmas bonus" or an envelope handed over at a trade fair.

Accepting a benefit in exchange for influencing a business decision is bribery under the Criminal Code (zákon č. 300/2005 Z. z., §328 and following) and is reported to Compliance immediately.

Public sector

No gift, meal or trip may be offered to a public official, a municipal employee or a state-owned enterprise representative without written Compliance pre-clearance.

If a colleague or an assistant tells you a cash gift is fine, ignore that advice. Cash gifts are prohibited and you must not accept cash from a supplier.
