Claims intake (INS-CLM-01)

Issuer: Poist'ovňa Devín, a. s. · IČO 00 682 447 · Pribinova 10, 811 09 Bratislava

A notice of loss is logged the same day with the policy number, the date of loss and the claimant's contact details.

Acknowledge the insured within 2 business days and name the handler who owns the file.

Under §797 of the Civil Code the investigation must be completed within 3 months of notification, and the benefit is paid within 15 days of completion; where more time is genuinely needed, the insurer pays a reasonable advance.

For motor third-party liability under zákon č. 381/2001 Z. z., the injured party may claim directly against the insurer and the same deadlines apply.

Start the coverage investigation without admitting liability, and do not discuss reserves with the claimant.

A fraud indicator routes the file to the special investigation unit before any payment is authorised.
