Client engagement letter (LEG-ENG-01)

Issuer: Advokátska kancelária Hoferová & Bartoš s. r. o. · IČO 51 234 567 · Laurinská 12, 811 01 Bratislava

The scope of representation is confirmed in writing before substantive work begins, as required by the Advocacy Act (zákon č. 586/2003 Z. z.) and the Bar's professional rules.

The engagement covers the named client only; a parent company, subsidiary or shareholder needs a separate engagement.

Work outside the written scope requires a written amendment with a fee estimate.

The letter states the hourly rate excluding VAT, the current 23% VAT rate, the billing cycle, and the client's right to alternative dispute resolution.

If a conflict is discovered after intake, the firm may decline or withdraw from the matter under the conflict of interest policy.

S úctou,
