Vec: retainer billing

Retainers and billing (LEG-BILL-04)

Issuer: Advokátska kancelária Hoferová & Bartoš s. r. o. · IČO 51 234 567 · Laurinská 12, 811 01 Bratislava

A retainer is held in the firm's client account and is not recognised as income until it is earned.

Fees follow the engagement letter and, where a court awards costs, the tariff in Vyhláška č. 655/2004 Z. z. on advocates' fees.

Invoices issue monthly with narrative time entries and the 23% VAT line shown separately.

A write-off above EUR 500 requires partner approval.

A contingency arrangement is capped at 20% of the value of the matter under the fee decree and must be agreed in writing before work starts.

Non-payment after 45 days escalates to the billing partner; work is never suspended without written notice to the client, because an advocate must not leave a client exposed to a procedural deadline.
